

SCS PSP Hybrid Program Course Summary

Jr High

Track 2 (8th grade)

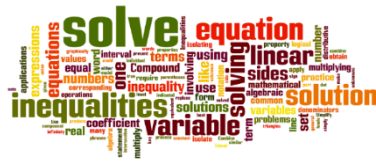

Science

Apologia-Physical Science

In this study of Physical Science, students will be introduced to the stunning world you live in, as well as the universe around it. From the composition of air to icebergs to astrophysics, students will receive thorough lessons in each element of the physical world.

Math

BJU Press Algebra 1

Help develop your teenager's thinking skills with the Algebra 1 educational materials from BJU Press. Algebra 1 provides the thinking skills and experience required for further education and future careers. The educational materials will encourage your homeschooler to think biblically about the applications of algebra. It presents algebra as an important tool that your child can use in exercising dominion over the earth as God commanded. The educational materials also aims to teach for understanding since it is important that your teen understands the concepts being presented.

History/Literature

Notgrass-From Adam to Us

A one-year course that combines a rich study of world history with Bible study, geography, literature, vocabulary, creative writing, and hands-on activities. We use major events to provide a framework for understanding the chronology of world history.
