# STATEMENT OF FAITH

## 1. God The King and The Holy Trinity

We believe that God is the Eternal King. He is an infinite, unchangeable Spirit, perfect in holiness, wisdom, goodness, justice, power and love. From all eternity He exists as the One Living and True God in three persons of one substance, the Father, the Son, and the Holy Spirit, equal in power and glory.

## 2. God The King: The Creator And Ruler Of All Things

We believe that God's kingdom is everlasting. From His throne, through His Son, His eternal Word, God created, upholds and governs all that exists: the heavenly places, the angelic hosts, the universe, the earth, every living thing and mankind. God created all things very good.

## 3. Counterfeit Kingdom: Satan And Demonic Hosts

We believe that Satan, originally a great, good angel, rebelled against God, taking a host of angels with him. He was cast out of God's presence and, as a usurper of God's rule, established a counter-kingdom of darkness and evil on the earth.

## 4. The Kingdom In The Creation Of Man, The Fall And The Doctrine Of Original Sin

We believe that God created mankind in His own image, male and female, for relationship with Himself and to govern the earth. Under the temptation of Satan, our original parents fell from grace, bringing sin, sickness and God's judgment of death to the earth. Through the fall, Satan and his demonic hosts gained access to God's good creation. Creation now experiences the consequences and effects of Adam's original sin. Human beings are born in sin, subject to God's judgment of death and captive to Satan's kingdom of darkness.

We believe that God wonderfully foreordained and immutably created each person as either male or female in conformity with their biological sex. These two distinct yet complementary genders together reflect the image of God. It is not divinely intended prerogative of people to redefine His creation of humankind as being other than male and female.

We believe that God instituted marriage for the well-being of humanity and procreation. Marriage is an institution of God described singularly as the lifelong and exclusive union of one man and one woman in a faithful relationship that the Scriptures call "one flesh". Marriage is the only proper setting for sexual intimacy.

## 5. God's Providence, Kingdom Law And Covenants

We believe that God did not abandon His rule over the earth, which He continues to uphold by His providence. In order to bring redemption, God established covenants which revealed His grace to sinful people. In the covenant with Abraham, God bound Himself to His people Israel, promising to deliver them from bondage to sin and Satan and to bless all the nations through them. We believe that, as King, God later redeemed His people by His mighty acts from bondage in Egypt and established His covenant through Moses, revealing His perfect will and our obligation to fulfill it. The law's purpose is to order our fallen race and to make us conscious of our moral responsibility. By the work of God's Spirit, it convicts us of our sin and God's righteous judgment against us and brings us to Christ alone for salvation. We believe that when Israel rejected God's rule over her as King, God established the monarchy in Israel and

made an unconditional covenant with David, promising that his heir would restore God's kingdom reign over His people as Messiah forever.

## **6. Christ the Mediator and Eternal King**

We believe that in the fullness of time, God honored His covenants with Israel and His prophetic promises of salvation by sending His Son, Jesus, into the world. Conceived by the Holy Spirit and born of the Virgin Mary, as fully God and fully man in one person, He is humanity as God intended us to be. Jesus was anointed as God's Messiah and empowered by the Holy Spirit, inaugurating God's kingdom reign on earth, overpowering the reign of Satan by resisting temptation, preaching the good news of salvation, healing the sick, casting out demons and raising the dead. Gathering His disciples, He reconstituted God's people as His Church to be the instrument of His kingdom. After dying for the sins of the world, Jesus was raised from the dead on the third day, fulfilling the covenant of blessing given to Abraham. In His sinless, perfect life, Jesus met the demands of the law and in His atoning death on the cross He took God's judgment for sin which we deserve as lawbreakers. By His death on the cross He also disarmed the demonic powers. The covenant with David was fulfilled in Jesus' birth from David's house, His Messianic ministry, His glorious resurrection from the dead, His ascent into heaven and His present rule at the right hand of the Father. As God's Son and David's heir, He is the eternal Messiah-King, advancing God's reign throughout every generation and throughout the whole earth today.

## **7. The Ministry of The Holy Spirit**

We believe that the Holy Spirit was poured out on the Church at Pentecost in power, baptizing believers into the Body of Christ and releasing the gifts of the Spirit to them. The Spirit brings the permanent indwelling presence of God to us for spiritual worship, personal sanctification, building up the Church, gifting us for ministry, and driving back the kingdom of Satan by the evangelization of the world through proclaiming the word of Jesus and doing the works of Jesus. We believe that the Holy Spirit indwells every believer in Jesus Christ and that He is our abiding Helper, Teacher, and Guide. We believe in the filling or the empowering of the Holy Spirit, often a conscious experience, for ministry today. We believe in the present ministry of the Spirit and in the exercise of all the biblical gifts of the Spirit. We practice the laying on of hands for the empowering of the Spirit, for healing, and for recognition and empowering of those whom God has ordained to lead and serve the Church.

## **8. The Sufficiency Of Scripture**

We believe that the Holy Spirit inspired the human authors of Holy Scripture so that the Bible is without error in the original manuscripts. We receive the sixty-six books of the Old and New Testaments as our final, absolute authority, the only infallible rule of faith and practice.

## **9. The Power Of The Gospel Over The Kingdom Of Darkness**

We believe that the whole world is under the domination of Satan and that all people are sinners by nature and choice. All people therefore are under God's just judgment. Through the preaching of the Good News of Jesus and the Kingdom of God and the work of the Holy Spirit, God regenerates, justifies, adopts and sanctifies through Jesus by the Spirit all who repent of their sins and trust in Jesus Christ as Lord and Savior. By this they are released from Satan's domain and enter into God's kingdom reign.

## **10. The Church: Instrument Of The Kingdom**

We believe in the one, holy, universal Church. All who repent of their sins and confess Jesus as Lord and Savior are regenerated by the Holy Spirit and form the living Body of Christ, of which He is the head and of which we are all members.

## **11. Baptism And The Lord's Supper**

We believe that Jesus Christ committed two ordinances to the Church: water baptism and the Lord's Supper. Both are available to all believers.

## **12. The Kingdom Of God And The Final Judgment**

We believe that God's kingdom has come in the ministry of our Lord Jesus Christ, that it continues to come in the ministry of the Spirit through the Church, and that it will be consummated in the glorious, visible and triumphant appearing of Christ-His return to the earth as King. After Christ returns to reign, He will bring about the final defeat of Satan and all of his minions and works, the resurrection of the dead, the final judgment and the eternal blessing of the righteous and eternal conscious punishment of the wicked. Finally, God will be all in all and His kingdom, His rule and reign, will be fulfilled in the new heavens and the new earth, recreated by His mighty power, in which righteousness dwells and in which He will forever be worshipped.

# **PHILOSOPHY OF EDUCATION STATEMENT**

The educational philosophy of Southlands Christian Schools is based on a God-centered view that all truth is God's truth, and that the Bible is the inspired and the only infallible authoritative Word of God. Our aim is to provide a Christian educational environment founded on the presupposition that all of life exists for the purpose of knowing God and bringing him glory. Accordingly, the purpose of education is to help students grow and develop in a proper understanding and acceptance of their identity in Christ and effectively prepare them to impact the world for God and His Kingdom.

In preparing students for their future, Southlands focuses on fostering academic excellence within the disciplines. High academic standards and expectations are integrated with biblical truth across all subject areas. It is assumed that all students must not only be competent critical thinkers within each of the disciplines, but also well prepared for post-secondary education upon graduation. Therefore, constant and consistent measurement of progress towards college readiness is a distinguishing mark of a Southlands education.

Within the Southlands philosophy of education, the teacher serves the vital roles of mentor, role model, and instructional guide. As role models, teachers embody what it means to be a true disciple of Christ through their love and passion for God, students, and learning. As mentors, they build meaningful relationships with their students and advocate for their growth spiritually, intellectually, physically, socially, and emotionally. As instructional guides, teachers serve as knowledgeable resources of content, effective administrators of research-based instructional practices, and facilitators of the learning process.

The role of a student in the learning process is to be reflective critical thinkers, proactive life-long learners, and engaged contributors to the school and community. As reflective critical thinkers students are on a journey of self-discovery, understanding God and his creation, and

comprehending their own relationship to God, their fellow man, and society as a whole. In order to be proactive life-long learners students take ownership of the learning process, advance their personal quest for knowledge and truth, and pursue their personal interests for the betterment of society. As engaged contributors to the school and community, students cultivate compassion and care for both the student body and staff, as well as for the world as a whole.

## **ABOUT SCS**

SCS (then known as Christian Chapel Schools) was opened in 1979 with 75 students from grades K - 4. Currently SCS has students enrolled in grades preschool through 12<sup>th</sup> grade, including a large Private Satellite Program.

SCS is accredited through the Association of Christian Schools International (ACSI) and Western Association of Schools and Colleges (WASC). We participate in several ACSI-sponsored events each year. In addition, SCS offers a college preparatory high school program, including Advanced Placement courses, that prepares students for placement in higher education.

## **ABOUT OUR STAFF**

All employees must demonstrate, through the interview process, a personal relationship with the Lord Jesus Christ, confessing Him as Lord and Savior, as well as an attitude that embraces the mission and purpose of Southlands Christian Schools.

We take our responsibility to educate young people very seriously. Lessons are well planned, exciting, highly motivating and designed to maximize growth. Teachers are thoroughly trained, possessing a state credential and/or Association of Christian Schools International (ACSI) Credential. Ongoing training, monitoring, and evaluations are provided for our teachers in a loving and supportive environment. This helps to maintain our commitment to educational, social, and spiritual excellence as a Christian school.

The staff possesses a wide variety of backgrounds but the common element is God's love demonstrated through a commitment to each student's individual personal growth and development. Our teachers view their employment here at SCS as a calling from the Lord rather than a career.

## **ADMISSIONS**

### **STATEMENT OF NONDISCRIMINATION**

Southlands Christian Schools admits students of any race, color, national and ethnic origin; and students are offered all rights, privileges, and programs generally made available to students at the school. SCS does not discriminate on the basis of race, color, national and ethnic origin in the administration of its educational policies, admissions policies, tuition assistance programs, athletic, and other school programs, nor does it discriminate in the hiring of faculty or administrative staff.

The school does retain the right to deny admission or employment based on past academic achievement, discipline problems, or for those whose lifestyle is not in harmony with the stated

mission and purpose of Southlands Christian Schools. All new applicants and families must meet with an administrator before final admittance. International students are admitted based on an interview and evaluation test.

## **APPLICATION PROCESS**

Receipt of application forms for new students does not automatically imply acceptance. Each application is reviewed on an individual basis. Formal admission to Southlands Christian Schools will be granted to those students who are able to benefit most strongly from our form of Christian education.

All applications must be filled out carefully and completely. An incomplete application will not be accepted. The full application fee is required upon receipt of application for all students. The registration fee is non-refundable. Parents will be contacted to set up an interview appointment with the principal. Applicants are also required to attend the interview.

## **EMERGENCY/DISASTER RELEASE FORM**

An Emergency/Disaster Release Form is required annually and is included in your registration packet. This form must be completed in full and returned with your registration forms. Admission to school is contingent upon receiving this form. Students' schedules will not be issued without this completed form. Only those persons named on the Emergency Form will be allowed to pick up your child. If at any time your emergency information changes, notify the school office immediately. In the event of an area disaster, the school is prepared to keep your child for as long as 72 hours.

## **HEALTH AND IMMUNIZATION REQUIREMENTS**

A copy of immunization records must be submitted with all new applications. By law, a child will not be allowed to attend school without up-to-date immunizations. Immunization forms are used for Health Department reporting which is required by the state. Up-to-date immunizations are required on or before a student will be allowed to attend school. Students' schedules will not be issued unless immunizations are complete and submitted to the school registrar.

If any extenuating medical reasons exist which preclude a student from receiving up-to-date immunizations, a doctor's note specifying such extenuating medical reason may be submitted. Once received, each request for exemption will be considered on a case-by-case basis by the school board. If the school board rejects said request, student must become up-to-date within 30 days.

## **ATTENDANCE POLICY**

The attendance policy at SCS reflects a desire to have all students present. It also reflects a view that students and parents/guardians are accountable and must take ownership of attendance.

### **TARDIES**

Detention will be given for three unexcused tardies within any given class. Three unexcused tardies in one given class is equivalent to an absence. The third offense resulting from tardiness, will result in a Saturday school to be served on campus at an appointed time. If a

student receives an additional three tardies, a second Saturday school will be issued. Additional tardies will result in an external suspension. Further disciplinary action can include, but is not limited to, a conference with administration. If a student is tardy twenty or more minutes to any class it will count as an absence. Tardies may be excused by calling the attendance line, sending a written and signed note or going to the office within 24 hours of the tardy. Students are allowed up to eight excused tardies per semester. After eight excused tardies, any additional tardies will be unexcused.

## **ABSENCES**

Truancies (unexcused absences) are absences that are not cleared by the school office. Students who are truant are not allowed to make up missed work, this includes in-class assignments, homework, quizzes, and at the individual teacher's discretion, whether or not a test can be made up. Tests must be completed within a maximum of 5 days upon students return to school. When an absence occurs on a block day, it will count as two absences for each class missed.

1. First offense—Saturday School
2. Second offense—Saturday School
3. Third offense—Saturday School & Meeting with Administration
4. Additional offense—Saturday School & Meeting with Administration

## **EXCESSIVE ABSENCES**

In accordance with school policy, absences in excess of twelve, excused or unexcused, in one semester will result in no credit for a class or classes for that semester. Ten unexcused absences or absences in excess of twenty, excused or unexcused, in one semester will result in expulsion. In such cases, international students studying with an F1 visa will have their I-20 certificates terminated. All expulsions will be cleared by the Executive Director of Schools. Attendance is a vital component that will assist each student to graduating and to develop future life skills. It is imperative that students attend school daily. Absences will only be excused for the following reasons:

- Fever of 100.4 or higher
- Vomiting
- Head Lice
- Severe Diarrhea
- Cold/Flu

Absences in excess of three consecutive days, students must bring a doctor's note. All excused absences are at the discretion of administration.

## **REQUEST FOR EARLY RELEASE FROM SCHOOL**

If a parent is picking up a student during the day, Southlands requires that a parent/guardian sign the student out in the front office. Students will not be released to anyone not listed on the Emergency Release Form; this includes releasing students to public transportation such as, but not limited to, Uber, Lyft, or Taxi. Verbal permission will not be accepted. If a student who drives to school needs to be released early, then he or she must bring in a signed note to the school office. This note must be signed by a parent or guardian. ***Emails will not be accepted.*** Before the student is released to depart the campus, the school office will make phone contact with the parent/guardian. If contact is not successful, the student will not be able to sign

him/herself out. Once a student is considered excessively absent, it will be at the discretion of administration whether or not the student will be released.(Excessive absences is defined as 25% of the semester days in school)

Note:

1. Students who leave the school grounds without permission will be subject to disciplinary action.
2. Excessive early departures from school can hinder a student's academic performance.
3. Doctor and dental appointments should be scheduled after 3:15 PM whenever possible.

## **BELL SCHEDULE**

### **REGULAR DISMISSAL**

All students are to leave the campus by 3:30 pm when possible. There is no direct supervision for any high school student left on campus after 3:30 pm.

### **NOON DISMISSAL SCHEDULE**

There are days within the school year that students will be released at 12:00 pm. When possible, students should be picked up from campus as soon as possible.

## **COMPUTER AND INTERNET USE POLICY**

### **SCS STUDENT AGREEMENT**

Access to the Internet is a privilege and users are responsible for their behavior and communications on the World Wide Web (Internet) just as they are in any school setting or situation. The network is provided for users to conduct research and communicate with others in a manner which is consistent with the educational goals of SCS. It is understood that teachers may provide an entire class or groups of students with live or simulated access to the World Wide Web as part of their instructional program, and this will not require individually signed agreements. However, individual access to the Internet will only be given to those who have signed the user agreement. As a result, all students must have signed parental permission to work individually on the Internet. Those students will be guided toward appropriate use and supervised by faculty during school hours on school related assignments. Outside of school, families bear this same responsibility for guidance just as they would for television, movie, print media, etc. The following are examples of unacceptable behavior by students, teachers, or any employees of SCS:

- Sending or displaying offensive or threatening messages or pictures
- Using obscene language
- Harassing, insulting or attacking others
- Attempting to damage computers, computer systems or computer networks
- Using an unauthorized computer network (i.e. students accessing faculty network)
- Violating copyright laws or plagiarism
- Using another person's password
- Trespassing in another's folders, work or files
- Intentionally wasting limited resources
- Employing the network for non-curriculum related private or commercial purposes

Violations will result in a loss of internet access, as well as other disciplinary or legal action.

***\*The Administration will be the final judge of what is permissible and acceptable.\****

### **STUDENTS ACKNOWLEDGE THAT:**

SCS makes no guarantee, implied or otherwise, regarding the reliability of the data or data-connection. SCS takes no responsibility for any information or materials that are transferred through the Internet. SCS reserves the right to examine all data stored in the machines involved in the Internet link to make sure that all users are in compliance with these requirements, and reserves the right to update these rules and restrictions without further notice. All users should be aware and keep in mind that when they use the internet, they are entering a global community, and any action taken by them will reflect upon the entire Southlands' school. All users are expected and required to behave in an ethical and legal manner.

Students agree that the use of the Internet is a privilege, not a right, and accept that inappropriate behavior and/or any action in contravention of SCS policies will lead to penalties including, but not limited to loss of internet privileges, disciplinary actions consistent with SCS policies and/or legal action against the student and parent. Students realize that the primary purpose of SCS's internet connection is educational and agree not to knowingly participate in the transfer of inappropriate or illegal materials. Students realize in some cases the transfer of illegal materials may subject students and/or parents to civil penalties as allowed in California Civil Code Section 1714.1 for willful misconduct of minor and/or criminal action.

### **RELEASE OF LIABILITY**

Students release SCS, and its agents and employees and other entities and associations affiliated or associated with SCS and their agents and employees from any liability or damages that may result from the use of SCS's internet connection.

## **BRING YOUR OWN DEVICE (BYOD) INTERNET POLICY**

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. To encourage this growth, students at Southlands Christian Schools may now bring their own technology to campus. These devices are only to be used in class for educational purposes, at the discretion of teachers and administration.

### **DEVICE REQUIREMENTS**

Students are required to bring a laptop on a daily basis. All laptops must be authorized with the IT department. Acceptable laptops for the school year are laptops running Microsoft Windows 7 or 10 or Apple OSX operating system. It is helpful if the laptop has an Intel i3 processor - or faster, 4GB of memory and 100 GB of available hard drive space.

### **INTERNET**

SCS has established an internet connection for use by students. The purpose of this internet access is to promote and enhance our educational program(s). SCS plans to monitor student use closely and may utilize an internet filter when necessary to screen potentially objectionable material. At the same time, we will be educating students about the responsible use of internet resources.

## **SECURITY AND DAMAGES**

Responsibility to keep the device secure rests with the individual owner. Southlands is not liable for any device stolen or damaged on campus. If a device is stolen or damaged, it will be handled through the administrative office similar to other personal artifacts that are impacted in similar situations. It is recommended that skins (decals) and other custom touches are used to physically identify your device from others. Additionally, protective cases for technology are encouraged. Students should secure their devices, when not in use, in safe spaces such as their personal locked lockers.

## **CONFERENCES**

Parent/Teacher open conferences will be scheduled once a year, approximately six weeks after the start of school. Additional informal contact with the students' teachers is encouraged. Southlands also utilizes PowerSchool, internet database systems used to access grades and teacher communications by both students and parents.

## **CURRICULUM AND COURSES OFFERED**

SCS provides students with a well-balanced curriculum that attends to their spiritual, academic, artistic, social, emotional, and physical growth.

### **CHAPEL**

Chapel services are held weekly and may consist of guest speakers or various other activities. Chapels provide an opportunity for students to develop a personal worship time.

### **FIELD TRIPS**

Day field trips are offered according to subject matter and grade. All students are expected to attend. Additional fees may be required. Overnight trips are an integral part of the student's education and students are expected to attend these as well. An additional fee is charged for all trips.

***Note:** Trips and/or length of trips are subject to change. Information and cost of each trip will be distributed at the parent meetings.*

### **CAMPUS PARTICIPATION/COMMUNITY SERVICE**

As an integral part of the student's grade in Bible class, all students will be required to complete a designated amount of community service per year. This may be accomplished through the student's home church, community or at SCS. All community service must be approved. A form must be completed by the student's supervisor verifying the hours served.

### **SENIOR GRADUATION**

Students in 12th grade pay an additional graduation fee of approximately \$175. This covers the following package: gown, cap & tassel, ceremony and venue, diploma and cover, senior breakfast, and awards reception. The graduation fee and package items are subject to change. Students are notified of the actual cost, due dates, and graduation package items.

Classroom procedures, routines, and expectations shall be developed and enforced in such a way as to maximize learning.

In order to ensure a positive learning environment, the student discipline system is outlined below. There are three disciplinary infraction categories.

## **DETENTION**

**After School Detention:** Students who receive a discipline referral resulting in detention will serve after school on Mondays or Thursdays from 3:10 – 3:50pm.

**Saturday School:** Students who receive a referral resulting in Saturday school will serve the consequence on campus on the assigned date. Students serving Saturday school will report promptly at 8:00 am and remain on campus until 10:00 am. Student must report to the assigned location by 8:03. After 8:03, doors will be locked and the student will not be allowed to serve the Saturday School. The student will now have two Saturday Schools to serve. Once students are released, a parent or guardian must be on campus for immediate pick-up. There will be no supervision after the dismissal time. Students are not allowed to bring electronic devices, which include, but not limited to cell phones, tablets, or laptops, unless a laptop is required to complete schoolwork. If a student has a cell phone, it will be turned in to the supervising staff member and returned at 10:00am. Students will be engaged in campus clean-up. Therefore, appropriate attire is required, according to the SCS dress code.

## **SUSPENSION**

**External Suspension:** Students who receive a discipline referral resulting in suspension will serve their suspension at home on a date given by the administration. Students must complete all assignments in every class and turn in homework to teachers the day they return. Tests/quizzes given during a suspension may be made up only at the discretion of the teacher.

## **PROBATION**

**Behavioral Probation:** Excessive disciplinary infractions will result in a student being placed on a behavioral contract. Being placed on a behavioral contract may have the following effects for the remainder of the school year: loss of eligibility for SLC or other student leadership positions and extra-curricular activities.

**Academic Probation:** Students are required to maintain a minimum 2.0 GPA for each academic quarter. Students earning below a 2.0 GPA will be placed on an academic probationary contract for the following quarter. Formal tutoring is required and proof of enrollment must be validated by the office. Students failing to meet the minimum 2.0 GPA in two consecutive quarters will not be allowed to re-enroll for the following school year.

## **EXPULSION**

Expulsion may be used when the administration deems necessary. All expulsions will be cleared by the Executive Director of Southlands. In accordance with Southlands policy, no refunds will be given for tuition that has been paid.

## **DRESS CODE POLICY**

**OUR DRESS CODE MAY BE SUMMARIZED IN FOUR BASIC PRINCIPLES:**
